Upgrade of Local Parks

Our Parks are getting ready for Summer!

Carrington Park:

Additional seating and tables are to be installed within the park for the convenience of the Community. The provision of a shade sail over the playground has been included in the upgrade along with an additional access gate and several advanced trees.

Leura Park:

The play equipment is due for replacement in February, with a new wheelchair accessible playground, including sensory panels.

If you have any questions regarding these, or any other Parks issues, please contact Daniel Lewis - Projects Coordinator, on 9273 3500.
